Master Set + Corpse of Viros

Core + Corpse

These Core + Corpse decks assume you only have the Master Set and the Corpse of Viros expansion. From those, six different unique decks can be built simultaneously. However, since the Master Set only comes with 40 dice, you may have to rearrange the dice required when picking any two decks.

Calamity Jessa (Jessa)

Give & Take (Maeoni)

Yoyo (Brennen)

Strength in Abundance (Coal)

Of Birds and Blood (Saria)

Hard Mode (No Allies) (Aradel)

Corpse Rebuild

No Such Method remixed the Reborn Master Set and the Corpse of Viros expansion, but kept the dice distribution the same as the original decks (i.e. 5 dice of one type plus 5 dice of another type.

The Mist Guardian (Corpse Rebuild)

The Men of Iron (Corpse Rebuild)

The Bloodwoods Queen(Corpse Rebuild)

The Snakes in Silver (Corpse Rebuild)

The Shadows of Viros (Corpse Rebuild)

The Cloudsea Siren (Corpse Rebuild)
