

Chimera Cards

Chimera

The Chimera is a shared opponent of the players and can be standard or heroic difficulty. Within that difficulty they range from levels 1 to 3, which are played against consecutively in a campaign. Standard difficulty Chimera are a good place to start, especially if you are new to Ashes. Heroic difficulty Chimera will test the skills of even the most veteran players! The Chimera must receive wound tokens equal to or greater than its life value for you to win the game.
