

Phoenixborn Card

Your Phoenixborn is your most important card. Its battlefield and spellboard values dictate how many units and ready spells you can have in play at a time and its life value is how many wound tokens can be placed on it before you are out of the game. A Phoenixborn is not a unit.^{[1][2]}

The card features an illustration of a woman with long, flowing red hair, wearing a brown and purple outfit with a fur collar. She is surrounded by blue energy and small blue butterflies. The card has a light blue border with various stats and abilities.
