Lulu Firststone

Lulu Firststone
Art from Gorrenrock Survivors

“My dear Elga, while I hope you are enjoying your stay here in Gorrenrock, I must decline to meet with you at this time. Please remember, you are a foreigner in this city and not in a position to impose yourself upon me. You are right to fear the coming storm. But I am told you amassed a small fortune in your morning years, so why not enjoy those comforts you have earned, and savor this twilight? Rest easy. In Gorrenrock, there are still strong shoulders to carry the many burdens of this world.”[1]

Lulu Firststone is the Phoenixborn of Gorrenrock, a place known for valuing power, aggression, and fighting. She is the epitome of those values. She first appeared as a promotional card in Ashes: Rise of the Phoenixborn, but that card and the corresponding unique have been retired and replaced with the Lulu that appears in The Gorrenrock Survivors. She also appears in The Frostwild Scourge.

History

Mostly unknown, though she seems to have a rivalry with her neighbor, Orrick Gilstream.

Conjurations

Lulu boasts 4 conjurations, one of which is a boost to her friends: Spark. Omen Bringer is a desert bird, and the Emberoot Lizard resembles a desert lizard, except for its burning tail. Her last conjuration, the Adaptodon, is shared with Rin Northfell.
