

# Tristan Darkwater

"I met Tristan Darkwater once when he visited [Sunhold](#). The lad was bright and friendly but only spoke when etiquette required, and never more than was needed. I am certain he felt great unease socializing among his own kind."

- [Darius](#), Terminal Amurai<sup>[1]</sup>

Art from The Ocean's Guard

Guarding [Erris Isle](#), Tristan communes with the life of every being in the ocean. He is a new Phoenixborn, introduced for Ashes Reborn in [The Ocean's Guard](#).

## History

A solitary Phoenixborn, less is known about him than many others. There are hints that he might not be human.

## Conjurations

Tristan has created a large number of conjurations, all a part of sea life. The small [Prism Tetras](#) can combine into a larger [Radiant Leviathan](#), and disassemble back. He has also made [Tidal Crabs](#), and [Seafoam Snappers](#).

## Card appearances

- [Summon Radiant Leviathan](#)
- [Tidal Shift](#)
- [Tsunami Shot](#)
- [Stand Still](#)

## Quotes:

- "How did it come to this?"
  - "I tend a world you pretend not to see."
  - "Behold oceanic apotheosis!"
  - "With anger as deep as its hunger."
  - "We shall break over and upon you."
